

FACILITATION GUIDE: INTRODUCTION TO SPHERE MINIMUM HUMANITARIAN STANDARDS

2 & 3 February 2023, Slovakia Training in English on 02/02, in English with Slovakian interpretation on 03/02 Trainers: Felicity Fallon and Daria Pistriak

Time	Activity	Description	Resources
09:00 - 9.10	Welcome	Facilitators introduce themselves.	PowerPoint
		Run through Agenda and Ground Rules	
9.10-9.30	Warm-up activity	"What has been most important to you in the last year?"	
		Ask participants to sit next to someone they don't know so well. Each person has 7 minutes to talk about what has been most important to them. The other person should not speak, but practise active listening.	
		Swap after 7 minutes. Debrief: How did it feel to share that with your partner?	
		Key message: We start with this exercise, focussing on each other as people first, as Sphere is all about a people-centred approach to humanitarian response.	
9.30-9-50	You and Sphere	"How close are you to those in need?"	A photo of an
		"How close are you to Sphere?"	affected person, or object (e.g. one
		Place an item in the middle of the room to indicate people in need.	shoe or teddy bear)
		Ask people to place themselves in the room according to how close they are to people in need in their daily work.	
		Replace the item with a Sphere Handbook	

			-
		Ask people to place themselves again according to how close they are to Sphere.	
		Debrief: Why did you stand where you stood?	
		Key message: Today's training session aims for everyone to move closer to people in need, and become more familiar with the Sphere Handbook.	
10:00 - 10:30	Sphere Ukraine and	Daria to explain Sphere Ukraine programme.	PowerPoint
	Eastern Europe	Put participants into groups of three and then ask them to discuss these questions.	Flip chart
		What was most important in your work last year? What do you think will be most important in the coming year?	
		Debrief: List answers on flip chart	
		Key message: The Sphere Handbook represents the collective knowledge of humanitarians, gathered over the last 25 years. It can help you with your work challenges.	
10:30 - 10:45	Coffee/Tea break – fresh air		
10:45 - 11:30	Technical Chapters:	Group work debriefed by discussion	PowerPoint
	WASH, Health, Food Security, Shelter	Split the participants into groups. Try to mix up staff and volunteers.	Flipcharts/whiteboa
		Your team has been asked to work on converting an old school into a reception centre. You	
		are asked for advice on the following issues:	Alternatively A3
		Organising the living space in the shelter	paper and coloured pens.
		Providing household items for people	
		Making sure that mental health needs of staff and residents are being looked after	
		Promoting good hygiene practices in the shelter Protection the shelter's most value and be recidented.	
		 Protecting the shelter's most vulnerable residents Ensuring residents can participate in decisions that affect them and give feedback 	
		2 21341113 residents can participate in decisions that affect them and give recuback	

		Ask each group to find 10 references in the Sphere Handbook that will help them.	
		List the references on your whiteboard, including which section of the Sphere Handbook you found them in.	
		5 minutes to explain, 20 minutes to find, 20 minutes to debrief.	
		Debrief what each group found. What did you find most useful? Was there anything missing? Show how their answers came from all different parts of the Sphere Handbook. No one chapter exists in isolation. Technical chapters and cross-cutting themes. Explain the difference between standards and indicators.	
11.30-12.00	Structure of the Sphere Handbook	Puzzle exercise.	Printed elements from Handbook
	(optional, if time)	Divide participants into 2 groups. Give each group a set of printed "elements" from the Handbook, a bit different for each group (chapter symbols, photos of affected people, cards Key objectives, Key actions, Key indicators; cards with concrete indicators, e.g. 15 l per day,	
		printed title pages of HSP handbooks, etc.) and ask them to try to build a "structure", allow using the HB. Check on the groups' approach. Debrief	
12.00 – 12.30	Foundation Chapters The Humanitarian Charter	The Charter is written from the perspective of humanitarian organisations as a collective. It is the 'why' of offering humanitarian assistance and applying humanitarian minimum standards.	
		Ask everyone to take 5 minutes to read the Humanitarian Charter.	THE KIERT TO FUNDANTAGEN ACTIONAGE
		Split room into 3 groups. Give each group 2 cartoons to analyse.	ASS A
		Give each group 5 minutes to reply to the following questions	
		What is happening in the cartoon?	
		Which part of the Humanitarian Charter does it relate to?	
		Do you agree with the Charter and can you and your organisation subscribe to it?	

		Conclusion	Classe it is little the class and it is
		All people affected by disaster or conflict have a right to receive protection and assistance to ensure the basic conditions for life with dignity.	
		The right to protection and security The right to receive humanitarian assistance The right to life with dignity The right to life with dignity	NA THE STATE OF TH
		Focus on dignity in humanitarian aid: Ask everyone what the right to a dignified life means to them. What exactly is dignity?	
		Give some examples of dignified humanitarian assistance.	
		Ask participants about situations of dignified assistance in their own interventions.	ACCOUNTAINTY OF THE PARTY OF TH
		Distribute pink bunny card and discuss.	
12:30 – 13.00	Foundation Chapters:	Protection Principles	Prepare Protection
	Principles	The Protection Principles describes broadly what humanitarians aim to do in terms of protecting people.	Principles (use Sphere Handbook Activity Cards).
	(Optional: if time)	Each group picks a Protection Principle at random and a method of interpretation (drawing, mime, play, dance/song)	

		Each group has 10 minutes to prepare their interpretation and 5 minutes to demonstrate it to the group. Discuss: Principle1: No harm Principle2: Impartial assistance Principle3: Assist people in need/ recover from. Principle4: Claim their rights Conclusion: Protection principles can seem quite theoretical. But actually they can be useful. When designing a program, you can ask yourself 'Does this programme fit with the	Prepare 4 methods of interpreting the Principles on 4 sheets of A4.
13:00 - 14:00	Lunch break – fresh air	protection principles?.	
14:00 – 15:30	Applying the Sphere Approach to a Case Study	Explain the task. Split participants into groups and give them 20 minutes to prepare. At the end of 20 minutes, explain that it is now the next day and choose one group to role play the meeting. The facilitators will play the role of the local authority and the large national charity (can be supported by participants if any have relevant experience). One group will role play the local charity operating the shelter. The other participants will observe.	Print-out of case study
		Role play. Debrief on flipchart:	

		 How did the participants use Sphere standards and indicators to support their arguments? Which Technical Standards or parts of the Handbook did they refer to? How useful overall was it for participants to be able to use the Sphere Handbook to prepare for the meeting? 	
15.30-15.45	Coffee/Tea break – fresh air		
15:45 – 16:15	The Core Humanitarian Standard		https://www.youtub e.com/watch?v=dAk xy3o9vDY
	(Optional: If time)	The Core Humanitarian Standard describes how organisations must behave in order to successfully apply minimum standards.	Print out each CHS commitment
		Watch video	CHS poster
		Welcome participants to the Core Humanitarian Standard. Today participants are very lucky because these items are for sale, and everyone can afford up to three.	
		Participants will have precisely 10 minutes to tour the gallery and stick up to 3 Post-Its on the items they wish to purchase today. They should select the ones which are currently LEAST applied by their organisation, and which would have MOST positive impact by making improvements in this area.	
		Debrief	
		Lead a group discussion by gathering round the most sought-after item. Ask: O Why do you think this standard is least applied by organisations represented here?	

		 What are the difficulties in meeting the commitment / achieving the standard? If time, gather round the least sought-after item and ask for some positive examples of how participants' organisations are achieving the standard/commitment. 	
16:15 – 16:45	Welcome to the	Final words of welcome to the Sphere community: Now you have done this training you are part of the Sphere community. Photos on PowerPoint of community from around the world.	Quiz (to prepare)
	Sphere Community	part of the Sphere community. Photos on PowerPoint of community from around the world.	HSP video?
16:45 - 17:00	Certificates and		Survey (to
	evaluation		administer with QR
			code before people
			leave the room)
