

## Veronica Foubert

Veronica is an adult learning specialist with wide experience in designing and facilitating training programmes in different modalities (face-to-face, on-line, blended) and languages (English, French and Spanish). She has a particular interest in participatory approaches, experiential learning and creating conducive and safe learning environments.

She was Sphere Training and Learning Manager from 2006 to 2013 and has conducted Sphere trainings since 2000 & Training of Trainers since 2004. In charge of the first Sphere Handbook E-learning course, she recently collaborated in the design of the 2020 MOOC/E-learning.

With a background in International Relations, Veronica is originally from Mexico and lives in Geneva, Switzerland.
