

Agenda
Experience Sharing Webinar for the Sphere network

Workshop title	Integrating Humanitarian Standards into Disaster Simulation Exercises
Target audience	Open invitation
Workshop mode	Online
Workshops duration	2 hours
Contact person	Felicity Fallon - Aya Yagan
Workshop date	11 December 2023, 11.00-13.00 CET

I. Workshop Objectives:

- Explain the core elements of Simulation and Tabletop Exercises (TTX), including scenario development, objectives, roles, facilitator guidance, and debriefing.
- Expose participants to real-world examples from experts in the field, providing insights and inspiration for their own exercises.
- Participants will have the opportunity to ask questions, seek clarifications to reinforce their understanding of simulation/TTX concepts.

II. Workshop Agenda
