1	Practical exercises	11/26/2020 2:08 PM
2	the second breakout session with the 3min presentation of a chapter. Its great because it gives the chance to look into a whole chapter and summarise it. On a side note: the intro of every person with the animal drawing was a nice change from the boring template we are used to: "name, job title, passion for humanitarian aid"	11/26/2020 1:19 PM
3	Interactive and focussing on the main points, not squeezing too much information in.	11/26/2020 1:02 PM

1	I feel I could have used some more in-depth introduction of the elements in the technical chapters	11/26/2020 2:08 PM
2	perhaps more of a similar activity to the 3min presentation	11/26/2020 1:19 PM

4	Add more quizzes about sessions for engaging participants	11/26/2020 1:01 PM

6	nothing to mention here	11/26/2020 12:57 PM
7	nothing, i really like the way it was done	11/26/2020 12:57 PM
8	Explain the last group exercise (for the 3 min sectoral briefing) a bit better.	11/26/2020 12:57 PM
9	More breaks in between.	11/26/2020 12:56 PM
10	Miro was beyond me , explanation went to fast. Maybe two distinct sessions	11/26/2020 12:55 PM
