List the Sphere activities your organisation is intended to conduct in the next 12 months?

Current/Planned Activities <i>(Please be as specific as possible)</i>	Tentative timeline <i>(if applicable)</i>
<i>Sphere trainings and events</i>	
<ul style="list-style-type: none"> + KUNO could host 2 to 4 Sphere introduction trainings for humanitarian professionals in the Netherlands. The Dutch INGOs are informed that also their partners from the Global South are welcome to participate. + KUNO could also promote and support the organisation of advanced Sphere courses (based on the need and interest among Dutch humanitarian NGOs). 	<p>During 2021</p> <p>Once every two years</p>
<i>Other activities</i>	
<ul style="list-style-type: none"> + Co-organise with Sphere, CHSA, the Red Cross and others an in-depth discussion about the added value of internationally widely supported standards for humanitarian practice. Sub-themes could address issues like why we need a series of 'competing' standards (could we work towards a 'common' standard?); how standards need to be adapted in response to new trends and current discussions in the humanitarian work field (discussions about the decolonization of aid, the growing self-esteem / self-awareness of local and national humanitarian actors and their ongoing plea for more decision-making power). 	<p>During 2021</p>

How are you going to evaluate the success of the above-mentioned activities?

(Suggest success indicators for each above activity)

KUNO will monitor the number of meetings and the number of participants to the meetings. All KUNO-trainings are followed by a short survey among participants to get feedback on the completed courses.

Is your organisation working with other Standards initiatives? If so, how do you collaborate with them? *(Please indicate if you are a member of CaLP, CPMS, INEE, LEGS, Seep network, ADCAP and/or the CHS Alliance)*

In collaboration with the CHS Alliance, KUNO arranged CHS trainings in the Netherlands in March 2019 and February 2020.
